

# Use your head, *show you care*

Due to a generous donation of \$32,681 from Kohl's Cares for Kids, we've teamed up to help prevent traumatic sports injuries. Join us for a fun family event featuring skateboard and rollerblading demonstrations from Sun Ramps, a live remote from Mix 108 radio, and safety information from Jenn Hoff, injury prevention coordinator for St. Mary's Trauma program. Take home a free helmet (\$20 value). Children must be present to be properly sized and fitted by Duluth Children's and Ski Hut volunteers. *Together, we can show just how cool it is to care.*

**FREE MULTISPORT HELMETS**  
*will be provided for the first 1,000 children*

4-7 pm, THURSDAY, MAY 21  
Kohl's Department Store Parking Lot

**St. Mary's  
Children's Hospital**  
*The soul and science of healing.*
